

USNS COMFORT | June 2019

World Hope International provided humanitarian aid in partnership USNS Comfort by staffing licensed medical professional, translators, and medical supplies (including wheelchairs). While deployed, the USNS Comfort will conduct stops throughout Central and South America, and the Caribbean to provide medical assistance in support of the

CALIFORNIA WILDFIRES: USA | Nov 2019

In November 2018, wildfires raged across California and, in addition to ravaging the landscape and communities, also created some of the worst air quality in the world at the time. WHI teamed up with Amazon and close partners on the ground to distribute dozens of industrial air-scrubbers to shelters and hospitals across the smoke-filled region.

HURRICANE FLORENCE: USA | Sept 2018

In September 2018, we responded to a powerful Cape Verde hurricane with water filters, water desalination efforts, high-quality tarps, trucks of food and baby supplies, and clean up crews alongside our local and national partners.

TYPHOON MANGKHUT: THE PHILIPPINES |
Sept 2018

In September 2018, we responded to the destruction on Luzon island with relief supplies often carried by foot by coordinated volunteers to hard-to-reach communities flattened by the typhoon and subsequent flooding.

2018

CYCLONE GITA: ISLANDS OF TONGA | Feb 2018

In February 2018, major winds across the kingdom brought down power lines, smashed churches, and flattened vital crops. We responded with critical emergency supplies—like shelter, clean water, and sanitation kits.

EARTHQUAKE: PAPUA NEW GUINEA | Feb 2018

In February 2018, we responded to a 7.5-magnitude earthquake and dozens of aftershocks with clean water supplies, solar chargers, and clean up alongside The Wesleyan Church.

deli

In December 2017, we responded with shipments of food, water, and hygiene kits, water desalination units, water filters, and electric generators.

TROPICAL STORM TEMBIN: THE PHILIPPINES

₩ MUDSLIDES: FREETOWN, SIERRA LEONE

ug 2017

In August 2017, torrential rains lead to deadly mudslides, claiming 1,000 lives, and leaving 7,000 people homeless. We coordinated an emergency response to bring water treatment solutions on-line, delivered clothing, blankets, food, medicines, counseling to victims, and care for children who lost family members.

FLOOD RELIEF: LOUISIANA | Aug 2016

HURRICANE HARVEY: USA | Aug 2017

In August 2017, we served over the long-term recovery phase with shipments of goods to those hardiest hit and coordinated teams of volunteers to help in the ongoing clean-up of the area.

EARTHOUAKE: ECUADOR | April 2016

In April 2016, following the earthquakes that took more than 650 lives and injured more than 16,000 people, we provided over 700 water filters and 8,400 hygiene kits to areas with the greatest need.

♥ EBOLA VIRUS OUTBREAK: SIERRA LEONE

March 2014-March 2016

In March 2014-March 2016, as one of the largest nongovernment organizations in Sierra Leone, we recruited a Registered Nurse from the US to train health care workers, supplied ambulances, set up isolation units, helped with burials, delivered food to families, provided care for shunned survivors, and set up Community Care Centers to make care more accessible to those impacted by the disease.

EARTHQUAKE: HAITI | Jan 2010

Soleil, Petit Goave, and Jacmel.

In January 2010, the massive earthquake killed more than 230,000 people, injured over 300,000, and left over 1.5 million people homeless. We made available food for 83,200 people, purified water to 68,500 families, 16,103 hygiene kits, and medication to 7,320 orphaned and vulnerable children. While providing psychological care for 887 orphaned children, we helped to reunite 282 children with their guardians. Seminars were held in 26 camps where 18,925 youth learned about illness prevention, and we re-constructed three schools in Cite

— 2019 —

USNS COMFORT | Oct - Dec 2018

World Hope International provided medical aid in partnership with the U.S. Southern Command on an 11-week medical assistance mission aboard the USNS Comfort. WHI staffed 5 medical practitioners on the ship over the course of the mission, which helped provide care to the appropriate communities and to relieve pressure on host nation medical systems—a pressure due in part to an increase in migrants crossing. The USNS Comfort visited Ecuador, Peru, Colombia, and Honduras from October 11 – December 20, 2018.

HURRICANE MICHAEL: USA | Oct 2018

In October 2018, Hurricane Michael tore across the Florida Panhandle and southern U.S.A. Alongside nonprofit, corporate, and logistics partners, WHI coordinated the distribution of emergency supplies such as food, water, high-quality tarps, and other supplies via land, air, and sea to hard-to-reach communities cut off because of storm damage.

▼ TSUNAMI PALU: INDONESIA | Oct 2018

In October 2018, an earthquake and subsequent tsunami killed over 1,000 and displaced countless. We responded with direct relief by supplying donated Katadyn Ceradyn drip water filters for churches and mosques.

TYPHOON YUTU | Oct 2018

In October 2018, we were able to provide safe drinking water to Saipan shelters following the devastation of Typhoon Yutu, the second strongest hurricane to ever touch American soil. We were also able to support cleanup by removing trees and distributing food relief.

Dec 2017

In June 2018, we responded to the eruption of Guatemala's 'Volcano of Fire' with clean water supplies, solar chargers, and volunteer teams to help with clean up, recovery, and emotional support.

VOLCÁN DE FUEGO: GUATEMALA | June 2018

MOUNT MAYON VOLCANO: THE PHILIPPINES | Jan 2018

In January 2018, on the heels of Tembin, more than 75,000 fled their homes in the danger zone to stay in emergency shelters. We supplied emergency water supplies in hard-to-reach communities and in shelters.

HURRICANES IRMA & MARIA: CARIBBEAN,
FLORIDA, AND PUERTO RICO | Sept 2017

In September 2017, we responded with shipments of food, water, and hygiene kits, water desalination units, water filters, and electric generators.

HURRICANE MATTHEW: HAITI | Oct 2016

In August 2016, we mounted an immediate emergency

clean-up homes and minister to families impacted by

In October 2016, Hurricane Matthew, the most powerful Caribbean hurricane in nearly a decade, devastated Haiti. While the real number of casualties may never be known, the estimated death toll was over 500 people. We delivered 2,000 water filters, 2,520 hygiene kits and 342 tarps to the most affected areas.

CYCLONE ROANU: SRI LANKA | May 2016

In May 2016, we implemented programs to care for children, provide supplies, medical care and essential furniture for their families, so the children could return to school as soon as possible.

EARTHQUAKE: NEPAL | April 2016

In April 2015, when more than 21,000 were injured and over 8,500 were killed, we airlifted large, industrial strength tents to over 70 families, providing shelter to protect people from the monsoon rains. In addition, we gave relief supplies, water filters, food and hygiene kits to those in need. A team backpacked through the mountains to deliver over 2,000 pounds of relief supplies in Nepal's remote regions who had not previously received any assistance.

TYPHOON HAIYAN: PHILIPPINES | Nov 2013

In November 2013, immediately following the typhoon that impacted 14 million people, we offered food, educational support, rice seeds, and farm animals to
